Bearpath Golf and Country Club

Summit Academy OIC (SAOIC) is a nonprofit educational and vocational training center that empowers adults residing in the most economically depressed neighborhoods in the Twin Cities to become educated, employed and contributing members of our community.

Areas of focus include:

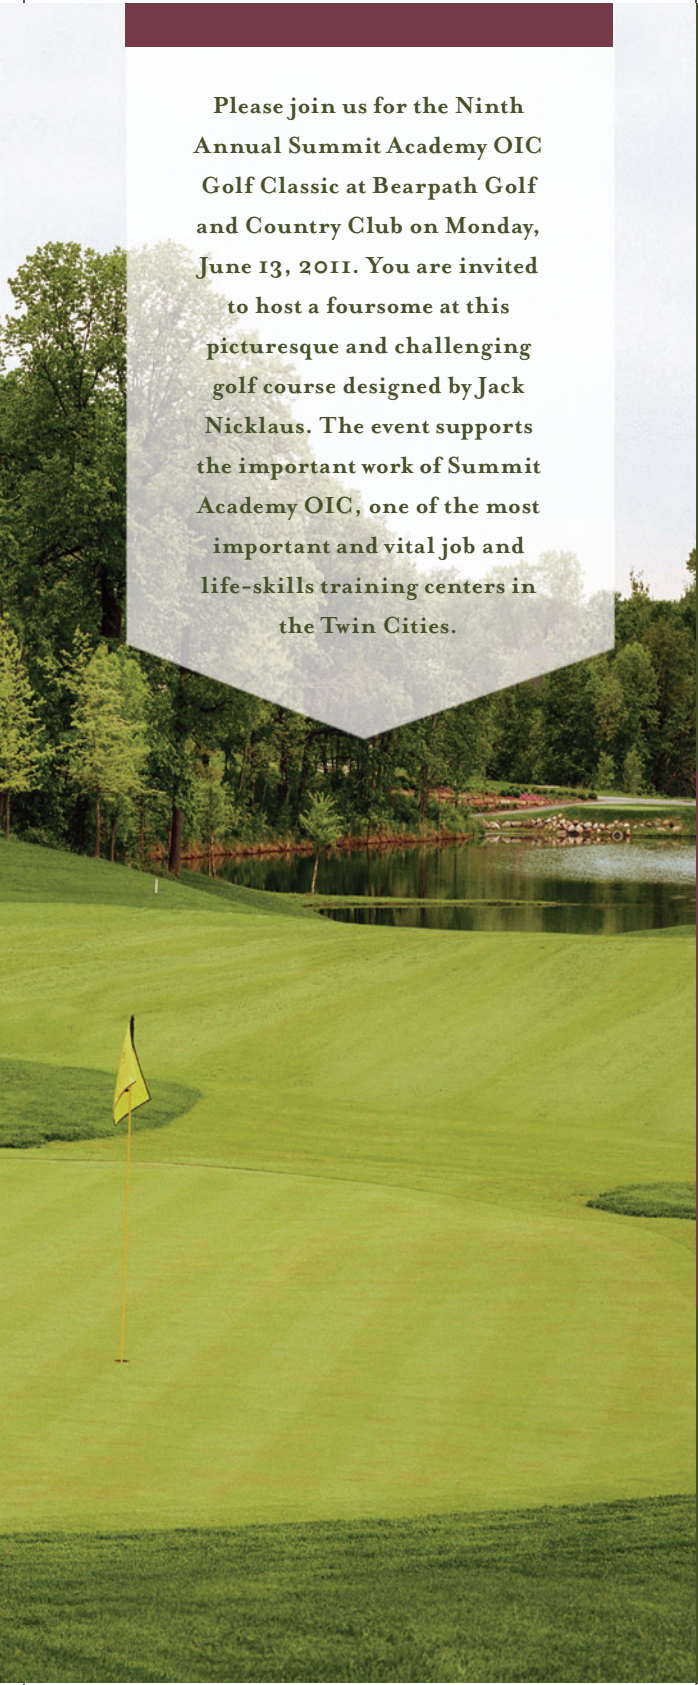

- Construction training including pre-apprentice carpentry, electrical or heavy equipment operation
- Community health worker and certified nursing assistant training

Summit Academy OIC is the only accredited institution of its kind in North Minneapolis; individuals can train for a career in just 20 weeks or less.

We work to:

- Break cycles of incarceration and chronic poverty
- Empower individuals to become self-sufficient through paid work and training
