

Post-Secondary Enrollment Option

Career Options Program for High School Juniors and Seniors

What is the Post-Secondary Enrollment Option?

The Summit Academy OIC Post-Secondary Enrollment Career Options Program (PSEO) offers high school juniors and seniors the option to earn high school credits while learning a trade at a post-secondary vocational school. PSEO students train at Summit for 20 weeks for a career in one or more of the following areas: Pre-Apprentice Carpentry/Weatherization Technician, with specialties in Green Roofing, Heavy Construction Laborer, Pre-Apprentice Heavy Equipment Operator, Pre-Apprentice Plumbing, Pre-Apprentice Residential Electrician, Pre-Apprentice Sheet Metal Worker, Pre-Apprentice Welder or Community Health Worker.

PSEO students receive credit from their high school and a Certificate of Completion from SAOIC.

Benefits of the PSEO Program

- Earn high school credits while learning career skills
- Prepare for the world of work
- Receive hands-on experience
- Free bus passes
- Performance incentives
- Earn a Certificate from an accredited institution
- Tuition paid through the Minnesota Department of Education
- Monetary incentives

How Do I Enroll?

1. Students should discuss PSEO options with their high school counselor and obtain a PSEO Application.
2. Parents/Guardians and a high school counselor must complete the PSEO Application.
3. Submit the PSEO Application to SAOIC by the enrollment deadline date. Call 612-377-0150 for dates, or check online at www.saoic.org.
